

## THE MIKE CAMPBELL FOUNDATION'S 10TH ANNIVERSARY EVENT ROYAL GEOGRAPHICAL SOCIETY, LONDON – 30 MARCH 2022

Dear Colleagues and Friends

The Mike Campbell Foundation's 10th anniversary event at the Royal Geographical Society in London on Wednesday 30 March was a great success and we were very grateful for the wonderful support and encouragement.

The theme of the evening was "Hope", because we believe that, despite all the difficulties, there are many positive developments taking place in Zimbabwe.

Paramount Chief Felix Ndiweni, who studied and worked in the UK for more than 20 years, replaced Zimbabwean opposition leader Nelson Chamisa as the keynote speaker. Mr Chamisa was unfortunately unable at the last minute to travel to the UK. Chief Felix, who is an accounting auditor by profession, captivated the audience and spoke without a note.

Our Executive Director, Ben Freeth, gave an inspiring speech titled "Do we dare to hope?" To read his speech, [click here](#).

Baroness Kate Hoey, who was chairman of the All Party Parliamentary Group on Zimbabwe for many years, spoke of her involvement as a supporter of the Mike Campbell Foundation, and of the struggle for freedom in Zimbabwe. To read her speech, [click here](#).

Sincere thanks to all the people who attended our event and also to those who responded but weren't able to come. We'd also like to thank everyone for all the support and encouragement during the past 10 years, we couldn't have achieved so much without you.

Royal Geographical Society (with IBG), London
